

BOONE COUNTY HEALTH CENTER RENOVATION

Completed: March, 2024
Location: Albion, NE
Services: Construction Management
Industry: Healthcare

Project Summary:
Portions of the existing building were renovated as departments relocated to the new addition. As part of the renovation, new spaces were created for Dietary Services, Lab, Pharmacy, Infusion, Respiratory Therapy, and an expanded Emergency Department, along with staff area updates in the Inpatient wing. Additionally, areas of Radiology were renovated to accommodate functions moving with this work. The total renovation area was 24,811SF.
