

FAITH REGIONAL HEALTH SERVICES

Client: Faith Regional Health Services
Completed: September, 2012
Location: Norfolk, NE
Size: 17,000SF
Services: Construction Management
Industry: Healthcare

Project Summary:
This project was an interior renovation/restoration from flood damage. Over four feet of water, mud and hail poured through the Emergency Department and adjacent areas of the hospital leaving the Emergency Department (ED) unusable. We worked closely with everyone involved to complete the project ahead of schedule with fair reimbursement from the insurance carrier.

Beckenhauer Construction received Honorable Mention for Faith Regional Health Services from the Nebraska AGC Building Chapter for the Build Nebraska Awards.
