

## FRIEND COMMUNITY HEALTH SYSTEM

**Completed:** June, 2022

**Location:** Friend, NE

**Services:** Construction Management

**Industry:** Healthcare

**Project Summary:**

9,000SF interior remodel including work in/for the following departments: Emergency Department, Lab, Nurse Station, Patient Rooms and Receptionist Desk / Business Office. The work included modifying two in-patient rooms to be negative pressure to help the facility during the COVID-19 pandemic. These new patient rooms included ADA compliant showers and restrooms.
