

PEACE LUTHERAN CHURCH

Client: Peace Lutheran Church

Location: Columbus, NE

Sinclair Hille

Size: 7,000 SF

Services: Construction Management

Industry: Religious

Project Summary:

Beckenhauer Construction is completing an approximately 7,000 SF addition and renovation at Peace Lutheran Church. The project expands and improves the church's daycare and ministry spaces, including enlarged classrooms, a new playground entry vestibule, additional storage, a laundry room, and new restrooms. Church renovations include an updated gathering space, additional restrooms, office improvements, and a new entry vestibule leading into the Narthex. The improvements will provide a more functional and welcoming environment for children, families, church members, and the growing daycare program.
