

SARPY COUNTY 911 CENTER

Client: Sarpy County
Location: Papillion, NE
Size: 14,700 SF
Services: Construction Management
Industry: Community Facilities

Project Summary:
The Sarpy County 911 Center is a 14,700 SF renovation to an existing bank building, converting it to a new communication center for Sarpy County. The project includes demolition of the existing bank, new mechanical systems, new generator and electrical systems, finish upgrades, access flooring, and a new 911 center on the first floor with support offices.
