Dear Buster:

It has been over three years since you finished our remodeling project at the bank and we continue to get comments from the public on what a nice bank we have.

As I look back on the project I am reminded of the high quality of work that your crew did for us. Your workers always kept the lines of communication open and if there were any questions they were taken care of in a professional manner.

Thanks again for a job well done.

Kindest regards,

Jeffrey L. Genhart
President
