SUBJECT: Recommendation for Work Completed

Dear Mr. Beckenhauer:

I am pleased to write this letter of recommendation for your firm for the work completed during the 1988-1989 school year. It progressed as it should and the quality was excellent. The only problems were architectural in nature and not the contractor's fault.

I found the work force easy to work with and they were always accommodating. I have no reservation in recommending your firm to others or employing you for future needs.

Sincerely,

Del Fuelberth  
Superintendent
