Dear Mr. Beckenhauer:

I wish to offer our confident endorsement to your corporation for a tremendous job on the Bel Air School project recently completed. We believe Beckenhauer made a pledge to the community of Norfolk and delivered. The project visibly represents an outstanding impression of gratification in workmanship on the part of Beckenhauer Construction and we couldn't be more delighted.

The rapport between Beckenhauer and our staff was definitely one of collaboration, with all parties clearly working toward the successful completion of this project. This hard work and commitment has resulted in a skillfully renovated building.

I was very impressed with Brian Hergott, Project Manager and Cory Jensen, Project Supervisor on their ability to create and maintain an atmosphere of professionalism and teamwork. They routinely provided quality customer service and worked extremely hard to resolve any conflicts or problems that occurred.

Sincerely,

Tim L. Kwapnioski, Principal
