Dear Buster,

I have been meaning to drop you a line and let you know how much I appreciated working with your company on our present project. I really appreciated the willingness in which your staff dealt with my concerns and the flexibility they showed in solving problems. I felt the project was finished in a reasonably good time and the finished product seems to be excellent.

I especially appreciated the efforts of Greg Schaffer to work with us and make things right. Please thank the crew for a job well done.

Sincerely,

Tom Kunkel
Superintendent of Schools
