Norfolk, NE 68701

Dear Buster,

Thrivent Financial is a company with a rich history and strong presence in the Norfolk community. We have always taken pride in being the premier financial services organization for the Lutheran community. Our members, in turn, have always expected of us utmost professionalism with a detailed oriented approach.

We have grown significantly as an organization, both in the Norfolk community and on a national level. It is growth which led us to the need for a new and larger office. We came to Beckenhauer because it is one of the oldest most well respected construction companies in Norfolk. We were very pleased with the new office and all of the amenities you designed and built for us. In particular, we wanted to thank Brian for all of his time and service. He was very professional. He was always there to answer our questions and was willing to help us through the large task of building a new office.

I have written this letter on behalf of the entire Norfolk office to thank both Beckenhauer Construction, and in particular Brian, for all your efforts. We feel confident we can continue to grow and serve our Lutheran community in our new office. Congratulations, on a job well done!

Sincerely,
