RE: Letter of Recommendation

Two Rivers Bank was fortunate to sign a \$4.0 MM contract with Beckenhauer Construction in January 2007. The contract was for our new Main Bank facility at 555 S 19<sup>th</sup> Street, Blair, NE.

The project was completed in early November 2008, and the Bank's Stockholders, Directors, Officers, and Employees are very proud to promote our beautiful new facility. There were definitely a few "bumps" along the road, however, the professionalism and commitment to work with the bank staff by Beckenhauer's staff was first rate. Communication was a high priority for all involved.

We would recommend Beckenhauer Construction to anyone looking to build a new bank building. They have experience with banks, which helps tremendously meet some of the special needs we have.

Sincerely,

Carol Wasenius, EVP  
Two Rivers Bank

Lloyd Scheve, EVP
