Dear Buster:

I would like to congratulate Beckenhauer Construction, Inc. for an outstanding job on putting together a complete package for the new Culver's of Norfolk store. This project clearly portrays the great dedication to customer service and sense of pride in workmanship on the part of Beckenhauer Construction.

The relationship between Beckenhauer Construction and their design firms were certainly one of teamwork, with all clearly working toward the successful completion of this project. The leadership your firm brought to the management of this project, and the quality of the final product, all speak to Beckenhauer Construction Company's experience, expertise and excellence in providing Design-Build/Lease services to clients.

I would also like to personally commend Brian Herrick, Project Supervisor, Brian Hergott, Project Manager and Mark Riley, Estimating for their professional manner in which they used in managing our project. Their knowledge and skills were very important in making this project successful.

Once again, congratulations to you and your staff and feel free to put me down as a reference for future clients to contact if they should have any questions.

Sincerely,

Rich Riley and Lisa Riley- Owner/Operators
