

ST. JOSEPH RETIREMENT COMMUNITY RENOVATION

Location: West Point, NE
Services: Construction Management
Industry: Healthcare

Project Summary:
The purpose of this project is to provide updated living facilities to serve the retirement community of West Point, NE.

The scope of the renovation primarily includes heavy interior renovations to levels 2 and 3, each with approximately 15,833 GSF for resident units and some common areas. The exterior walls will have work done to incorporate in-wall mechanical units and new windows.
