

WESTERN NEBRASKA COMMUNITY COLLEGE JOHN N. HARMS CENTER HEALTH SCIENCES RENOVATION

Completed: November, 2025
Location: Scottsbluff, NE
Services: Construction Management
Industry: Education

Project Summary:
The John N. Harms Health Sciences Center at Western Nebraska Community College, features a second-floor expansion and new entry link. Renovated spaces support allied health and nursing programs with specialized labs, simulation areas, classrooms, offices, and two fully equipped mock operating rooms for handson clinical training. Exterior work includes site demolition, utility relocation, grading, and paving. A redesigned lobby with floor-toceiling
windows, wood ceilings, terrazzo stairs, and glass handrails creates a welcoming, professional environment for students, faculty, and visitors.
